APPENDIX.

Uniform Act Regulating Traffic on Highways. Chap. 95½, Illinois Revised Statutes.

Article XIII.

§ 88. Stopping, standing, or parking outside of business, residence or suburban district. (a) Upon any highway outside of a business, residence or suburban district no person shall stop, park, or leave standing any vehicle, whether attended or unattended, upon the paved or improved or main traveled part of the highway when it is practical to stop, park, or so leave such vehicle off such part of said highway, but in every event a clear and unobstructed width of at least 20 feet of such part of the highway opposite such standing vehicle shall be left for the free passage of other vehicles and a clear view of such stopped vehicle be available from a distance of 200 feet in each direction upon such highway. * * *

(c) This section shall not apply to the driver of any vehicle which is disabled while on the paved or improved or main traveled portion of a highway in such manner and to such extent that it is impossible to avoid stopping and temporarily leaving such disabled vehicle in such position.

Article XV.

§ 103. When lighted lamps are required. When upon any highway in this State, during the period from sunset to sunrise, every motorcycle shall carry one lighted lamp and every motor vehicle two lighted lamps showing white lights, or lights of a yellow or amber tint, visible at least five hundred (500) feet in the direction toward which each motorcycle or motor vehicle is proceeding, and each motor

vehicle, trailer, or semi-trailer shall also exhibit at least one lighted lamp which shall be so situated as to throw a red light visible for at least five hundred (500) feet in the reverse direction.

§ 104. Clearance, identification, and side marker lamps. (a) Every motor vehicle of the second division as described in Article I of this Act, the length of which together with any trailer or trailers in tow thereof, is more than 25 feet and the width of which is more than 80 inches while being operated on the highways of this State outside the limits of cities, villages and incorporated towns, during the period from sunset to sunrise, shall display * * * on the rear thereon in a horizontal line approximately six inches apart, three red lights plainly visible at a distance of at least 500 feet.

§ 121. Vehicles of the second division to carry flares or similar devices. (a) No person shall operate any motor vehicle of the second division upon a highway outside of a business or residence district at any time from sunset to sunrise unless there shall be carried in such vehicle a sufficient number of flares, not less than three or electric lanterns or other signals capable of continuously producing three warning lights each visible from a distance of at least 500 feet for a period of at least 12 hours, except that a motor vehicle transporting flammable liquid may carry red reflectors having a minimum diameter of six inches in place of the other signals above mentioned.

(b) Whenever any motor vehicle of the second division and its lighting equipment are disabled during the period when lighted lamps must be displayed on vehicles and such motor vehicle cannot immediately be removed from the main traveled portion of a highway outside of a business or residence district, the driver or other person in charge of such vehicle shall cause such flares, lanterns, or other signals to be lighted and placed upon the highway, one at

a distance of approximately 100 feet in advance of such vehicle, one at a distance of approximately 100 feet to the rear of the vehicle, and the third upon the roadway side of the vehicle, except that if the vehicle is transporting flammables three red reflectors may be so placed in lieu of such other signals and no open burning flare shall be placed adjacent to any such last mentioned vehicle.
